Little Scientists

Programme Description

Through participation in a variety of thematic science activities, students have the opportunity to develop their self-confidence, learn about teamwork, and nurture their creativity. Throughout the program, students will engage in observing and studying various scientific phenomena, such as action and reaction, air pressure, and the reflection of light. "Little Scientists" offers students a fun environment to use English while stimulating their curiosity about the world around them.

About Us

- With over 25 years of experience, Language Tree has been providing high-quality English Teaching Services to more than 630 schools and has taught over 550,000 students.
- We ensure the safety and well-being of our students by requiring all our staff, including teachers and administrators, to undergo a Sexual Conviction Record Check (SCRC) with the Hong Kong Police Force, creating a secure and pleasant learning environment.
